
WHAT IS THE CATCHMENT AREA COUNCIL (CAC)?

The Catchment Area Council (CAC) is an open community group. Our group includes individuals with lived experience with mental illnesses or challenges and/or substance use as well as providers, consumers, family members, friends, medical professionals, first responders, advocates, and more!

We are focused on sharing resources, raising awareness, identifying trends, gaps, and needs, and advocating to improve the behavioral health system for all ages and across prevention, treatment and recovery. The CAC's ability to forge partnerships in the behavioral health system and throughout our communities is key in influencing systems and contributing to health communities.

This is an opportunity to use your voice! Each person comes with their own experience and expertise, and we want to hear from you. This is also an opportunity to hear, learn from and empower the voices of our region.
